## ABOUT ME

My goal is to tell stories and create content that brings passion and energy to an audience. Sports are designed to be fun, entertaining and engaging. I aim to remind viewers of this every time they watch a highlight, scroll on social media or consume anything in between. I draw on a wide range of creative and professional approaches to deliver compelling content no matter the subject. My diverse work experience in both production and marketing has allowed me to develop storytelling techniques for digital, broadcast and traditional media, poising me to be a well-rounded asset for your team.
